

The life and ministry of Jesus

Lesson 16: Jesus heals the paralyzed man

Colour the picture

Craft

1. Give each child some play dough or modeling clay to form the paralyzed man.
2. Let them glue a small piece of material on a small piece of cardboard and place their model on the cot.
3. Give a small box to each child to decorate as the house in today's lesson. (The teacher can already have a hole in the roof for the children to lower their play dough man down into the house.)
4. Use a small piece of material or felt to lower the man through the roof.

They will enjoy telling the story over and over as each child uses their own story telling items. (IF boxes are not available, the teacher can give each child a piece of construction paper to fold into the shape of a house and decorate.
