

Hi there,

I'm collecting used containers to money for our church's Building Project and for People in need. We use 50% of the money we collect to help people in need.

Containers for Change is a state-wide recycling scheme that enables charities and community groups who participate in the scheme to fundraise for their cause.

Every eligible container collected is worth 10 cents, which can really add up! So I'm asking you if you could donate used containers to help us raising money for our projects.

You can hand used containers in at a depot near you and quote our church's Scheme Id. No. **C1033102** (take a picture of the barcode below, to show at any depot), or you could save your containers, I'll come by to collect any containers you've managed to collect.

Thanks very much for your help (and containers).

They'll get 10 cents for each one. With your help, we can make a change.

 **ELIGIBLE CONTAINERS**

The scheme targets drink containers most commonly seen as litter. Most aluminium, glass, plastic, steel and liquid paperboard drink containers between 150ml and 3L are eligible for a refund.

 **INELIGIBLE CONTAINERS**

Generally, ineligible containers are those that are less than 150ml and greater than 3L. Other ineligible containers include all plain milk bottles, wine bottles, pure spirit bottles, cordial and registered health tonics. Pure juice containers over 1L (or under 150ml) are also ineligible.
